It sets out the significant features of the insurance Policy including its benefits, risks and information on how the insurance premium is calculated. You should also read the Policy wording to ensure it meets Your needs before making a decision to purchase. If there is anything You do not understand, please contact Us. We have not considered Your personal needs or financial situation in providing this statement, Policy wording and/or quotation. If necessary, You should seek separate professional advice to determine if this Policy suits Your requirements.

## | The Purpose of the Cover

The purpose of this Policy is to provide insurance cover against certain unforeseen or unexpected events that may occur whilst the Insured Person is travelling. The Policy does not cover all possible events and expenses. The Policy is a contract between You and Certain Underwriters at Lloyd's. Please read the Policy to ensure it meets Your needs. If You require further information, please contact Us.

## | Updating this PDS

We may need to amend this PDS at a later date. A paper copy of any updated information is available to You free of charge by calling Us. We will issue You with a new PDS or a supplementary PDS where the update is to correct a misleading or deceptive statement or an omission, which is

materially adverse from the viewpoint of a reasonable person deciding whether to purchase this insurance.

## | Date Prepared

This PDS was authorised on 1 September 2023 and remains valid until superseded by a new or supplementary PDS. Claims are assessed in accordance with the Policy wording effective at the time of purchase.

## | Cooling Off Period

If You decide that You no longer want this Policy, You are entitled to a refund of the total amount paid provided Your request to cancel the Policy occurs within fourteen (14) days of issue and before any insured travel begins and no claim has been made against Your Policy. We may not provide a refund if You cancel Your Policy outside of the Cooling Off Period. Please see "Cancellation by You".

## | The Total Cost

Your premium is calculated taking into account many risk factors. The premium is payable before cover can be issued.

Your total premium includes all government charges which are shown separately on the Certificate of Insurance. If You change Your Policy in any way after issue, You may be entitled to a premium refund or You may be asked to pay additional premium.

## | Non-Payment of Premium

You must pay the premium within the agreed credit terms. If You do not pay the premium by the due date or Your payment is dishonoured, Your Policy will not be in force and We may lapse the Policy and/or decline any claim(s) You have made. If You change Your Policy in any way after issue, We may ask You to pay additional premium and/or administration charges.

## | How various factors affect Your Premium

We consider a number of issues in calculating Your premium. Some of the factors that influence the premium include:

- The Sums Insured;
- The duration of travel to be taken;
- The Insured Person's medical history / age; and
- Activities to be undertaken whilst travelling.

## | Taxation

If You are a registered person/entity and require a tax invoice for Goods and Services Tax (GST) purposes, please contact Us.

## | Policy Excess

If You make a claim under this Policy, You may be required to pay an Excess. The standard Excess is \$100 but it does not apply to claims against all Policy sections. Please refer to the Schedule of Benefits for details of which Policy sections the Excess applies.

The standard or chosen Excess is applied per Insured Person for each incident that results in a valid claim.

If You make multiple claims against Your Policy, the Excess will be applicable to each claim that arises from a different incident.

If You apply for cover of a Pre-existing Medical Condition which is not automatically covered by the Policy and We agree to cover it, We may choose to apply a higher Excess to any claim arising from that Pre-existing Medical Condition. If You accept this higher Excess, it will be clearly shown on Your Medical Conditions endorsement which We will send to You. Similarly, if You request cover for an activity which is not covered by the Policy and We agree to provide cover, We may choose to apply a higher excess to any claim arising from that activity.

### | Policy Excess Buy-out Option

By paying an additional premium, You can reduce the Excess to Nil. If You choose to pay this additional premium at the time of arranging Your Policy, We will not deduct an Excess at the time of processing any claim(s) You make.

### | Significant Features and Benefits

This Policy offers a range of significant benefits. For full details of the benefits provided, please refer to the Policy and Your Certificate of Insurance. Some significant benefits of the Policy include:

- Overseas medical expenses, evacuation, repatriation and additional travel expenses cover;
- Cancellation, Curtailment and Delayed Travel benefits;
- Personal Accident and Personal Liability protection;
- Compensation for loss, theft or damage to property;
- Hijack, Kidnap and Kidnap for Ransom cover; and
- Political and Natural Disaster Evacuation benefits

### | What is Not Covered

In certain circumstances, the Policy will not provide any cover to You. You must read the Policy document for full details, including the exclusions which apply to each section and the General Exclusions which apply to all Policy sections. For instance, the Policy does not cover:

- Pre-existing Medical Conditions unless automatically included or agreed to be covered by Us and shown in the Certificate of Insurance and/or Medical Conditions endorsement;
- Medical and dental treatment received in Australia;
- Wilful exposure to needless danger;
- Legal liability arising out of the use of firearms, mechanically propelled vehicles or by animals.

Claims may not be paid for loss or damage to luggage and personal property if:

- There is no proof of ownership for lost or stolen items;
- Articles are Left Behind or Unattended in a Public Place including but not limited to while You are asleep;
- You have not taken Reasonable Care;
- You have not reported the loss, theft or damage to relevant authorities;
- Valuables and/or Electronic Equipment (e.g. jewellery, computers, cameras and similar equipment) are checked in as luggage.

### | Significant Risks

Possible risks associated with You holding this Policy include:

- Whether the Policy provides the scope of cover You require. You should carefully read the Policy and take note of its terms, conditions and exclusions;
- Whether You are able to comply with the terms and conditions of the Policy. Failure to comply could result in Us not paying all or part of a claim;
- Your Duty to Us is very important. If You have not disclosed relevant information, We may be entitled to decline a claim and this can have consequences on Your further insurance cover. This is especially important in respect of Your medical history.

### | How to Make a Claim

If You wish to make a claim, there are some important things You must do. For full details of how to make a claim, please refer to the Claims Procedure section of the Policy.

### | Your Duty to Us

Before You enter into an insurance contract, You have a duty to take reasonable care not to make a misrepresentation to Us when answering questions that We will ask You and providing Us with information. Before You enter into, vary or extend an insurance contract, We will ask You questions that are relevant to Our decision to insure You and on what terms.

You must take reasonable care to not make any misrepresentations to Us when answering Our questions. For example, it is important that You answer Our questions fully and accurately, to the best of Your knowledge.

If You do not take reasonable care to not make misrepresentation(s) to Us, We may cancel Your Policy, or deny or reduce the amount We will pay You for a claim, in accordance with Our rights at law.

If You make a misrepresentation to Us which is fraudulent, We can:

1. Treat Your Policy as if it never existed (i.e. avoid the contract), unless We would have entered into the contract for the same premium and on the same terms anyway; or
2. If We are not entitled to avoid the contract or We decide not to avoid the contract, We can reduce the amount that We pay You for a claim so that We are put in the position We would have been in if You had not breached Your duty to Us, in accordance with Our rights at law.

### | General Insurance Code of Practice

The Insurance Council of Australia Limited has developed the General Insurance Code of Practice (“the Code”), which is a voluntary self-regulatory code. The Code aims to raise the standards of practice and service in the insurance industry.

Lloyd’s has adopted the Code on terms agreed with the Insurance Council of Australia. For further information on the Code please visit [www.codeofpractice.com.au](http://www.codeofpractice.com.au).

The Code Governance Committee (CGC) is an independent body that monitors and enforces insurers' compliance with the Code. For more information on the Code Governance Committee (CGC) go to [www.insurancecode.org.au](http://www.insurancecode.org.au)

### | Pre-existing Medical Conditions

Whilst this Policy excludes claims arising from Pre-existing Medical Conditions, there are some conditions for which We provide automatic cover. Where automatic cover for a Pre-existing Medical Condition is not offered, it is possible for You to apply for cover. If You wish to apply for and We agree to cover Your Pre-existing Medical Condition, We may apply special conditions, limitations and/or increased excesses to claims relating to Your Pre-existing Medical Condition. We may also wish to charge additional premium to provide cover for Your Pre-existing Medical Condition.

### | What is a Pre-existing Medical Condition?

Pre-existing Medical Condition is defined to mean:

Any physical and/or mental defect, illness, disease, condition or injury

- a. that is currently being or has been investigated or treated by a Medical Practitioner or other health professional (including dentist/s and/or allied health practitioners):
  - i. Within the 90 days prior to the issue of this Policy; or
  - ii. During the original Trip if You have requested an extension of cover; and/or
- b. of which You are aware or the symptoms of which You are aware at the time this Policy is issued; and/or
- c. for which You take prescribed medication at the time this Policy is issued; and/or
- d. for which You have had surgery or consulted a Medical Practitioner in the two years prior to the issue of this Policy; and/or
- e. of an ongoing or recurring nature or complication attributable to the condition.

Certain Pre-existing Medical Conditions are automatically covered under this Policy for the Insured Person only.

### | Our approach to Pre-existing Medical Conditions

Pre-existing Medical Conditions fall into different categories:

1. Conditions which are automatically covered;
2. Conditions which are not automatically covered; and
3. Conditions which cannot be covered.

If You want to be covered for claims arising from or related to Your Pre-existing Medical Condition, there are some important things You need to do.

You will first need to see if Your Pre-existing Medical Condition is automatically covered by the Policy. If it is not automatically covered by the Policy, You will need to complete a medical screening at the time of buying Your Policy or within the Cooling Off Period.

At the time of completing a medical screening, We will tell You if We can cover Your Pre-existing Medical Condition and whether it requires You to pay more premium and/or if We wish to vary the standard Policy terms (e.g. by applying a higher Excess to any claim arising from the condition).

In some cases, We cannot offer cover for Your Pre-existing Medical Condition. If this is the case, We will advise You at the time of completing the medical screening.

If Your Pre-existing Medical Condition(s) is not automatically covered by the Policy and it is not declared to and accepted by Us at the time You buy the Policy or within the Cooling Off Period, We may not pay any claim arising from or related to that condition(s).

- Skin cancer (but not Melanoma)
- Urticaria (Hives)

Please note We are only able to offer automatic cover for certain Pre-existing Medical Conditions suffered by You (i.e. the person(s) insured under the Policy). There is no cover for any claim arising from or related to a Pre-existing Medical Condition suffered by any person other than the person(s) named on the Certificate of Insurance.

At no time is there any cover for any diagnosed or undiagnosed medical condition where:

1. You are receiving treatment (other than regular and routine prescription medication, for a medical condition which We have agreed to provide cover for);
2. You are awaiting investigation, referral, treatment or results;
3. You are travelling against medical advice or to obtain medical treatment; and/or
4. You have received a terminal prognosis.

If all of Your Pre-existing Medical Conditions are listed under the heading “Automatically Covered Pre-existing Medical Conditions” and You meet the eligibility criteria, You do not need to tell Us about them. Cover is automatically included.

If Your Pre-existing Medical Conditions are in the “Automatically Covered Medical Conditions” list but You do not satisfy the criteria for automatic cover, You will need to apply for cover. For instance, We automatically cover hip replacement if the procedure was performed over 12 months ago but less than 10 years. If You had a hip replacement three months ago, this does not satisfy the criteria for automatic cover and You will need to complete medical screening if You want to be covered for a claim arising from or related to this Pre-existing Medical Condition.

If You have a Pre-existing Medical Condition that is in the “Automatically Covered Pre-existing Medical Conditions” list and another Pre-existing Medical Condition which is not listed, You must complete a medical screening at the time of purchasing the Policy or within the Cooling Off Period if You want Us to cover Your Pre-existing Medical Conditions. When You complete the medical screening, You must declare all of Your Pre-existing Medical Conditions (not just the conditions which are not in the “Automatically Covered Conditions” list). For instance, if You have high blood pressure which meets the criteria for automatic cover but You have also had coronary stents inserted (which is not automatically covered), You will need to declare both high blood pressure and coronary stents when completing Your medical screening.

Following declaration of Your Pre-existing Medical Conditions, We will either agree to cover all of Your Pre-existing Medical Conditions or none of them. You will be advised of Our decision at the time of completing the medical screening.

#### [| Applying for Pre-existing Medical Condition cover](#)

If You have a Pre-existing Medical Condition that is not automatically covered by the Policy and You wish to apply for cover, You will need to complete a medical screening. You can complete the medical screening via any of the following methods:

- Contacting Us by telephone on 1300 819 888;
- By requesting a medical screening telephone appointment via our online booking portal; or
- Contacting a Go Insurance distributor (e.g. travel agent or broker)

#### [| Pre-existing Medical Conditions for which no cover is offered](#)

Some Pre-existing Medical Conditions are not covered under any circumstances. For instance, We are not able to offer cover in respect of any Pre-existing Medical Condition for which You have been given a terminal prognosis, where You are travelling to obtain medical treatment or travelling against medical advice. Also, We cannot offer cover for any Pre-existing Medical Condition when You are receiving or waiting on medical investigation, referral, treatment and/or results.

Not all applications for Pre-existing Medical Condition cover will be successful. This may be due to a combination of factors such as the nature of the condition, the duration of Your Trip and destination/s. For further information, please contact Us on 1300 819 888.

If You have a medical or dental condition that is not automatically covered and do not wish to apply for cover, You can still buy a Policy. This is on the understanding that there is no cover for any loss You may sustain as a result of that Pre-existing Medical Condition or related condition.

If You develop a new medical condition, experience any new symptoms or a deterioration in Your Pre-existing Medical Condition(s) after You purchase Your Policy but before You depart on Your Trip, it is essential that You either tell Us so we can reassess Your cover or acquire written confirmation from Your Medical Practitioner certifying that You are fit to travel. Failure to do so may result in any claim arising from that condition(s) not being covered should You still choose to travel. If a claim arises, You will be asked to provide a copy of the written confirmation from Your Medical Practitioner.

We retain the right to change Your Policy in accordance with any change in risk.

### | Pregnancy

If You are pregnant when You purchase this Policy, or if pregnancy occurs after, You will be covered under the terms of the Policy, as long as the event that causes Your claim is covered by the Policy, is an issue connected to Your pregnancy and occurs prior to the end of the 24th week of pregnancy.

Gestational age is calculated in weeks and days from the start of the last menstrual cycle or from a staging ultrasound.

We offer this coverage for a single pregnancy and multiple pregnancies (such as twins or triplets) provided there have been no complications to Your current (or any previous) pregnancy prior to purchasing the Policy.

Provided there have been no pregnancy complications prior to purchasing the Policy, cover for pregnancy-related illnesses such as hyperemesis (severe morning sickness), gestational diabetes, pre-eclampsia, or other similar illnesses will become effective at the time of Policy purchase. If You have experienced pregnancy-related illness or complications related to Your current or a previous pregnancy, (including miscarriage) these are considered Pre-existing Medical Conditions and must be disclosed to Us if You wish to include cover for Your pregnancy.

We do not provide cover for pregnancies after the 24th week of gestation and/or those resulting from assisted reproductive technology (e.g. In Vitro Fertilisation (IVF) and Gamete Intrafallopian Transfer (GIFT)). Additionally, We do not cover medical costs that are typically associated with pregnancy, childbirth or medical care for the newborn(s).

## | The Policy

We will insure the Insured Person against Accident, Illness, accidental loss, damage or mishap as defined in this Policy, whilst travelling during the Period of Insurance, and having a destination outside their Normal Country of Residence or within their Normal Country of Residence if such travel involves an overnight stay or air travel.

The amounts listed in the Schedule of Benefits are the maximum amounts payable per Insured Person under each Policy section and are noted in Australian Dollars.

Any reference to an Act, legislation or legislative instrument in this document also refers to that Act, legislation or legislative instrument as amended and may be in force from time to time.

## | SECTION 1 – Cancellation & Curtailment

You are covered up to the amount shown in the Schedule of Benefits if Your Trip is necessarily and unavoidably cancelled prior to commencement because any of the following events first occurs during the Period of Insurance.

You are also covered up to the amount shown in the Schedule of Benefits if Your Trip is necessarily and unavoidably curtailed, cut short or re-arranged because any of the following events first occurs after Your Trip has commenced.

- i. The death, Bodily Injury or Illness of You; Your Relative; Your Travelling Companion; Your Business Colleague; or the person with whom You had pre-arranged to stay at the Trip destination.
- ii. You or Your Travelling Companion being subject to compulsory quarantine, jury service attendance or being called as a witness at a Court of Law.
- iii. You or Your Travelling Companion's redundancy which qualifies for payment under current redundancy legislation in Your Normal Country of Residence where at the time of booking the Trip there was no reason to believe that You (or Your Travelling Companion) would be made redundant.
- iv. You or Your Travelling Companion being a member of the armed forces, police, fire, health, nursing or ambulance services or employee of a government department having authorised leave cancelled due to operational reasons provided that such cancellation could not have reasonably been expected at the time of booking the Trip and/or purchasing Your Policy.
- v. Hijack.
- vi. Theft of Your or Your Travelling Companion's passport and/or travel documents.

Travel Service Provider because of Adverse Weather Conditions, Natural Disaster, riot, strike or civil commotion.

- viii. Your or Your Travelling Companion's inability to travel to the point of departure for the Public Transport on which You are booked to travel due to a Motor Vehicle Accident or Vehicle Breakdown delaying the vehicle in which You or Your Travelling Companion is travelling.

Australian government advice on the [www.smarttraveller.gov.au](http://www.smarttraveller.gov.au) website advising against travel must be issued after You booked the Trip or purchased Your Policy, whichever is the later and still be in place 7 days prior to Your scheduled travel to the country/area in question for this section to respond.

## BASIS OF SETTLEMENT

### Cancellation:

In the event Your Trip is cancelled due to any of the above events i) to xi), settlement of Your claim will be based on the lesser of the following:

If Your Trip can be re-arranged so that You can travel at a later date or via an alternative route, We will do this. However, We will not pay more to rearrange Your Trip than the cancellation costs which would be incurred to completely cancel Your Trip.

### Curtailment:

In the event Your Trip is curtailed, cut short or re-arranged prior to completion due to any of the above events i) to xi), You are covered for:

1. Reasonable travel costs necessary for You to:
  - i) return home before the pre-booked return date or later than the pre-booked return date if You are unable to travel as planned; or
  - ii) reach Your pre-booked destination.
2. A pro rata refund of irrecoverable pre-booked and unused tours, car hire, excursions, accommodation, airfares and/or cruise costs (excluding airfares, cruise

or similar arrangements which were booked for You to return to Your Normal Country of Residence).

In the event You need to return to Your Normal Country of Residence earlier or later than scheduled and claim under this Policy section, We will not pay the value of Your unused pre-booked return travel arrangements. This is because We will be paying the cost of Your early return to Your Normal Country of Residence under this section. If You do not have any pre-booked return travel arrangements, this cost will be deducted from Your claim.

If You used Frequent Flyer points, air miles, loyalty card points and/or redeemable vouchers to purchase Your Trip, We will only compensate You for these if You are not able to reinstate or otherwise recover Your loss. We will calculate the value of Your loss as follows:

Frequent flyer points, air miles and similar:

- the cost of an equivalent class fare based on the best available advance purchase fare for the same booking period less any payment You made towards the booking;
- multiplied by the total amount of points lost;
- divided by the total number of points used to make the booking.

Vouchers and similar:

- the face value of the voucher up to the current market value of an equivalent booking.

If Your pre-booked travel arrangements are cancelled and We have paid travel costs for You to return home other than as scheduled, We will deduct from Your claim the value of Frequent Flyer points (or similar) that You are able to recover for the cancelled booking.

## | SECTION 16 – Coronavirus COVID-19

**Cover under this Policy is extended to include claims arising from Coronavirus COVID-19 under Section 1 (Cancellation and Curtailment) and Section 3 (Overseas Medical Expenses) as noted below.**

Except as amended by this section, cover for claims arising from Coronavirus COVID-19 are subject to the same conditions and exclusions as Section 1 (Cancellation and Curtailment) and Section 3 (Overseas Medical Expenses) in addition to the conditions and exclusions noted in this section.

Cover under this section starts from the date and time We issue the Policy to You if this is no more than 24 hours after You booked Your Trip. If You did not purchase this Policy within 24 hours of booking Your Trip, then the cover provided by this section commences 7 days after the date and time We issue the Policy to You.

The cover provided under this section applies to international and domestic Trips including cruises.

### Cancellation and Curtailment

You are covered up to the amount shown in the Schedule of Benefits in the event Your Trip is necessarily and unavoidably cancelled prior to commencement or curtailed prior to completion because:

- i) You or Your Travelling Companion contract Coronavirus COVID-19 in Australia resulting in You or Your Travelling Companion being medically unable to undertake the pre-booked Trip. The positive diagnosis must be confirmed by a PCR test, a rapid

antigen test (RAT) taken under medical supervision or by a Medical Practitioner.

- ii) You or Your Travelling Companion are ordered by the Australian government or a state health authority into mandatory quarantine or self-isolation because You or Your Travelling Companion live with someone who has contracted Coronavirus COVID-19 and You or Your Travelling Companion are deemed to be a household contact. This order must be made after You booked Your Trip and purchased Your Policy or when the cover provided by this section came into force (whichever is the later). This quarantine or self-isolation order must still be in force at the time of Your scheduled departure so as to prevent You from undertaking the pre-booked Trip.
- iii) Your Relative or Business Colleague in Australia contracts Coronavirus COVID-19 and a Medical Practitioner certifies in writing that the level of infection is life threatening.
- iv) You or Your Travelling Companion are ordered into mandatory quarantine by a government or public health authority during the Trip because You and/or Your Travelling Companion have contracted Coronavirus COVID-19.

### Overseas Medical Expenses

The cover provided under Section 3 (Overseas Medical Expenses) is extended to include cover if You are diagnosed with Coronavirus COVID-19 whilst travelling overseas during the Period of Insurance.

### Specific Conditions (Section 16)

1. If You had planned to utilise free-of-charge accommodation during the Trip (e.g. staying with friends and family) and You need to arrange alternative accommodation because You, Your Travelling Companion or host contracts Coronavirus COVID-19, We will only pay alternative accommodation costs for the mandatory quarantine period. This benefit is limited to the cost of the alternative accommodation or \$150 per night (whichever is the lesser).
2. If You contract Coronavirus COVID-19 while travelling and can remain in Your pre-booked accommodation during Your isolation period, there is no benefit payable for costs You would have otherwise incurred. If You have to leave Your pre-booked accommodation due to Coronavirus COVID-19 infection, any refund or credit available for Your pre-booked and unused accommodation will be offset against Your claim for isolation/quarantine accommodation.
3. If You incur additional travelling expenses (e.g. new airfares to travel post-recovery, any refund available on Your original travel arrangements will be payable to Us

or deducted from Your claim. If any credit is available to You on unused original travel arrangements, this will be offset against any claim payable under this section for additional costs incurred.

4. This section will respond to medical, additional accommodation/quarantine/isolation and travel expenses necessarily incurred due to Your or Your Travelling Companion contracting or being exposed to Coronavirus COVID-19. It does not pay for costs which You would have always incurred – e.g food, beverages and sustenance expenses. It also does not pay for discretionary costs You incur during Your isolation period including entertainment, alcohol, internet and phone charges etc.
5. General Exclusion 37 is waived in instances where You are travelling to a destination for which the Australian Department of Foreign Affairs has in force a “Do not travel” warning which relates only to Coronavirus COVID-19. Where the “Do not travel” warning relates any other reason and/or in addition to Coronavirus COVID-19, General Exclusion 37 is not waived and We will not pay any claim arising from or related to travel to that destination.

#### **Exclusions**

You are not covered for:

2. Any claim arising from You deciding to cancel Your Trip because of potential exposure to Coronavirus COVID-19 or similar contagious disease.

10. For cancellation or curtailment of an international Trip if the government of the country You wish to enter imposes border restrictions or closes its borders so that You are prevented from travelling as planned and/or entering the country due to the existence or perceived threat of Coronavirus COVID-19 transmission.

### | CLAIMS CONDITIONS

These conditions apply to claims and are in addition to the General Conditions which apply to the Policy.

#### Claim notification

You must advise Us of any possible claim as soon as reasonably practical and within one (1) calendar month of Your return to Your Normal Country of Residence.

If there is a delay in claim notification, We may reduce the amount We pay by the amount of prejudice We suffer due to the delay.

### Proof of loss

You must prove Your claim. This means You must provide independent documentary evidence to prove that You have suffered a loss which is covered by the Policy.

You must also provide evidence to prove that You owned the claimed item, its age and value.

Where You are claiming reimbursement of costs incurred, You must provide Us with invoices and/or receipts to verify the expenditure.

You must give Us any documents, letters, notices, medical certificates, medical records and reports, itemised invoices, original receipts, rental agreements, repair quotes, tickets, baggage tags/receipts, proof Your device's IMEI (International Mobile Equipment Identity) number has been blocked, mobile call logs or any other documentation that We reasonably ask You to provide to evidence Your loss/claim. This will be at Your expense.

Where You cannot provide evidence or proof that We require, We may not pay Your claim or We may reduce the amount We pay.

### Claim Settlements

Where You have incurred costs and are claiming reimbursement, We will pay the claim amount (less any applicable Excess) to the Australian bank account You nominate at the time of submitting Your claim.

If You ask Us to pay another party on Your behalf (e.g. a hospital or accommodation provider), this is subject to Our agreement. If We do not agree to pay another party on Your behalf, We will pay You the approved amount so that You can then pay the other party. Where We agree to pay another party on Your behalf, We will advise You whether You need to pay an Excess to Us so that we can pay the approved cost in full or whether You need to pay the Excess direct to the other party.

All claim settlements are calculated based on the official exchange rate that applied on the date the expense was incurred.

We may at Our option discharge any liability under this Policy by replacing or repairing any article(s) which have been lost or damaged or by issuing a credit voucher.

### Benefits and Depreciation

The most We will pay for a claim is the limit shown in the Schedule of Benefits for the cover level You selected (less any applicable Excess and/or depreciation).

In settling Your property claim, We may choose to pay any of the following:

1. the value of the claimed item at the date of loss, theft or damage (i.e. the item's market/used value);
2. the original cost price of the claimed item from which We will deduct an amount for depreciation;
3. the cost of repairing the claimed item; or
4. the applicable sub-limit.

If Your claim is for multiple items, We may choose to settle Your claim using a number of the above options. If We pay You the depreciated value of an item, the following rates of depreciation will apply.

Item	Rate
Clothing	15%
Footwear, sporting and leisure equipment	20%
Baggage, suitcases, backpacks and other items used to carry personal property	20%
Toiletries, personal care items, skincare products, make-up, cosmetics, perfume	50%
Medication and perishable items	50%
Valuables (as defined but not jewellery made with precious metals)	15%
Electronic Equipment (as defined)	20%

The above depreciation rates apply to each year of age or part thereof up to a maximum of 80% of the item's original cost price.

For items not listed in the above table, We will apply the rate specified for the most similar type of item.

We will not pay more than the original cost price You paid for an item. To ensure a fair and reasonable settlement, We will take into account the type of item, its age, condition and the degree of damage sustained.

A pair or related set of items is considered to be one item, no matter the quantity. For example, a camera body and its lenses, tripod, and camera accessories (attached or not) are a single item. Other types of items We consider to be one item include a pair of hearing aids, a pair of earrings, and a necklace with a pendant. This rule applies to all types of items, regardless of their size or quantity.

### Other insurance and contribution

If at the time of any incident which results in a claim under this Policy, there is another insurance policy covering the same loss, damage, expense or liability, You must give us details.

If You make a claim under one insurance and You are paid the full amount of Your claim, You cannot make a claim under the other insurance. If You make a claim under any other insurance and You are not paid the full amount of Your claim, We will pay the difference, up to the amount this Policy covers You for, provided Your claim is covered by this Policy.

We may seek contribution to amounts We have paid, or must pay, from Your other insurer. You must give us any information We reasonably ask for to help Us make a claim from Your other insurer.

### Losses recoverable from non-insurance sources

If Your loss has been caused by another party, You are required to make every reasonable effort to recover Your loss from the responsible party. If that party does not pay You the full amount of Your claim, You can claim the difference under Your Policy (provided the loss is covered

by the Policy). You must claim from the responsible party before lodging Your claim under Your Policy.

#### **If You do not have pre-booked return travel arrangements**

If an insured Trip is curtailed for any reason covered by this insurance and You do not hold a ticket for onward travel to Your nominated final destination in the case of One-Way travel or a ticket for return travel to Your Normal Country of Residence in the case of a return Trip, the cost of a one-way ticket to the final destination or Your Normal Country of Residence will be deducted from any settlement effected under this insurance. This deduction will be assessed as the published fare(s) available for purchase on the date of Your early return to Your Normal Country of Residence and of comparable standard to Your pre-booked travel arrangements.

#### **Subrogation and recovery**

We are entitled at Our own expense to issue proceedings in Your name to recover compensation or secure an indemnity from any third party in respect of any loss or damage for which We have indemnified You under this Policy. You must assist Us to obtain or pursue a recovery or contribution from a third party or insurers by providing all information and documentation We reasonably and necessarily require.

If You have suffered uninsured losses, We may agree to include these in any recovery action We decide to take. Where We agree to include Your uninsured losses, You may need to contribute to the legal costs We incur as a result.

You must not waive any right to seek compensation from a party who is responsible for causing You loss, damage or liability. If You enter into any agreement to waive the responsible party's liability to You for loss, damage or liability, We may not compensate You.

#### **Claim settlement refunds**

You must refund any amounts that We have paid to You or on Your behalf that are not covered by this insurance as soon as reasonably possible and within one calendar month of Our request.

If We accept Your claim and You later receive compensation from any other source for the same losses/costs, You must reimburse Us the amount You receive from the other source (up to the amount We paid for Your claim).

If We pay You for lost or stolen property and it is subsequently recovered and returned to You, You must reimburse Us the amount We paid to You for that loss.

If You are entitled to a refund in respect of forfeited pre-booked travel arrangements and We have incurred costs for You to travel other than as scheduled, You must transfer or pay the refund to Us.

#### **Salvage**

Any items which become the subject of a claim for loss or damage must be retained and not disposed of. If required, You must forward damaged items to Us for Our inspection at Your own expense. All such items will become Our property following acceptance and settlement of Your claim.

We may dispose of the item(s) or We may sell them and retain the proceeds. We may also agree to sell the item(s) to You provided You agree to pay market value.
